2011 Donor Impact Report

From Our Executive Director

Dear Friends and Partners,

Thank you for standing in solidarity with us in 2011 as we continued our mission to partner with local leaders in Guatemala who serve the people of La Limonada.

As many of you know, in Guatemala City, La Limonada is known as a hopeless place, a place you wouldn't dare go unless you live there. When people in Guatemala City refer to the community we serve, there is a common saying that often follows, "Even Santa Claus doesn't go to La Limonada."

But we believe it is a place of hope.

And we thank God that He goes to La Limonada.

We believe He is there every day in the hands and feet, the love and hugs, the food and education that is provided to countless children and families in the community through our programs. You helped make so much of this happen in 2011 through your generosity and love.

This past year was the first full year for the "Mi Casita" Safe Home, where formerly abused, abandoned and neglected children are loved, fed, cared for and provided with a family environment where they can flourish through their developmental years.

Words cannot fully capture the impact of your generosity and love, but we hope this report helps to tell the story of what we have done together. May we celebrate together what God has done and is doing in the lives of the people of La Limonada.

With gratitude,

Bill Cummings
Founder & Executive Director

From Our Guatemala Director

Dear Friends,

When people ask me “How are you?”, I always think of two answers. On one hand I think of the needs that I see every day, and then on the other hand I think of all the things I feel so thankful for.

On one hand we experience the day to day life of the people of La Limonada. Each day we see the pain and frustration of babies and children living with less than half the food they truly need, and elderly people who can't even take care of their own basic needs. We see children and youth that stop going to school because they have no shoes or books. We see people that are in bed waiting for a miraculous healing because they can't afford a hospital or medicine. We see children in extremely hard situations because we don't currently have the capacity of housing more. The list is neverending.

But on the other hand, as you can see in this report, there is so much we were able to do this past year. Lives of children and families are being transformed through our schools, scholarships and safe home. Women have been provided with a chance to expand their businesses to provide for their families. Elderly and disabled people have been given care and attention and an opportunity to experience God's love.

All of this has happened thanks to a group of people who have listened to God's voice and obeyed. Without the support of each one of you this would not be possible. So I want to send a big hug to each one of you and remind you that what you are doing is God's will. When you give your donation you can remember that you're allowing for somebody to receive - in a tangible way - the care that God wants to give to every human being.

Thank you so much for sharing what God has given you.

From Our Board of Directors

Dear Friends,

Our lives are measured by the impact we have on others. Your prayers, participation and financial contributions impact the lives of those in La Limonada. Lemonade International has been able to connect a very committed group of hope peddlers, both in Guatemala and in the U.S. We are so thankful to count you as fellow peddlers.

The contents of this report will outline the impact your partnership has had in 2011. But, if you're like me you also know that the impact felt is two ways. I am different, and better, because of the work I am privileged to do with Lemonade. The lives of my family have been irreversibly changed by the relationships we have with Walter and Maydelin, the two children we sponsor. I talk regularly with folks that make the trip to Guatemala City and return changed. Seeing the commitment of the teachers, international workers, interns and leaders at the schools and Mi Casita reminds me that hope is a universal gift and we all share in its benefits. This truth moves me to serve, love and hope more. I am impacted.

As you consider your role and contribution with Lemonade in 2012 and 2013 please know that you are loved and appreciated. The board and leadership team are committed to maximum impact with the resources you give. We operate under the principles of sustainability, effectiveness and lives changed. We are challenged by the need and encouraged by the commitment of our partners. Thank you for joining the mission and partnering with us. You make a difference.
