We exist to partner with local  
leaders as they facilitate  
community development  
programs in solidarity with  
the people of La Limonada in  
Guatemala City.

**HAPPY  
MOTHER'S DAY!**

A gift has been given to the  
Community Relief Fund in  
your honor.

This gift is tackling urgent,  
unexpected needs of the  
vulnerable in the La Limonada  
community of Guatemala  
City - Central America's  
largest urban slum.
